

X10[®] Wireless Camera System - Get Started Quickly!

1

Unpack these items.

2

Connect the camera to its power supply and plug it into a wall outlet.

3

Connect the wireless video receiver to power and plug it into a wall outlet.

4

Connect the video receiver to your TV.

5

Turn the video receiver on and flip up the antenna. Point the antenna towards the camera.

6

Select your TV's video input (or try channel 0 and then Channel Down). The camera's picture should appear.
